About Us

We specialize in the repair, servicing & exchange of reconditioned gearbox units. Gearbox Master & Exchange is a professional, efficient and reliable gearbox repair & exchange company. Client satisfaction is our Number One Priority. We have solutions for all types of vehicles and trucks including large 4x4 repairs up to small vehicles. With our quick and efficient turn-around time, we will have you back on the road safely.

With over 10 years of experience in the gearbox and differential industry we have developed the reputation and skills for providing the most efficient and affordable service to large corporate fleets and small vehicle owners.

We are proud of our exceptional working relationships in the industry, providing outstanding quality services to our customers. We have highly skilled workshop and field personnel to handle all your transmission solutions on all types of gearboxes and differentials on 4x4's, vehicles, bakkies, LDV's, SUV's up to current makes and models throughout Southern Africa.

We have the proven capabilities to provide the best gearbox services in the industry. Whether you are in need of advanced manual or automatic transmission repairs or torque converter or whether you require a gearbox exchange, we have the solution for you and your vehicle.

All our work carries a standard 3-month workmanship warranty and serviced exchange units carry a 12 month or 20 000km warranty, ensuring your peace of mind.
